2. Hailey Brooks is an eight-year old girl in the Mexico. She is different from other children. She is like an angel. She feeds all the homeless in her town and even builds houses for them.

When Hailey was five years old, one day she was walking home with her mom after shopping. She saw a homeless man on her way home. She asked her mom, "Can I give him a sandwich?" Her mother agreed. However, when Hailey tried to give another homeless person a sandwich, her mom stopped her and told her, "Sorry, Hailey. We are not rich enough to buy food for many homeless people."

After that, Hailey got an idea, "Although I can't buy food for all the homeless, I can grow food for them." Therefore, she started to study and grow vegetables at her yard. A few months later, her vegetables were ripe. She washed and sent all the vegetables to the homeless in her town. Later on, Hailey's neighbors also helped her grow vegetables for the homeless.

After she fed all the homeless in her town, Hailey told her mom, "The homeless shouldn't live on the street. They need houses." Then, Hailey started to build houses for them. Because of Hailey, more and more people start to care about the homeless. They donate money, seeds, books, and many other things to help the homeless. Hailey has a dream, "When I grow up, I want to be a homeless shelter director."
